

Budget Unit Brief

FY 2017

University of Iowa - Substance Abuse Consortium

Purpose

The Iowa Consortium for Substance Abuse Research and Evaluation is an alliance committed to strengthening substance abuse prevention and intervention activities through collaborative research. The Consortium coordinates research and knowledge transfer among researchers, assists professionals in the field, and informs public policymakers in the area of substance abuse. The Consortium's Advisory Board includes: representatives from the three Regents universities, the Department of Public Health, the Department of Corrections, the Office of Drug Control Policy, and local substance abuse service agencies.

Funding

State support for the Registry began in FY 1992 with a General Fund appropriation of \$58,000, and has ranged between a low of \$56,000 (FY 2012 through FY 2017) and a high of \$77,000 (FY 2001).
